My Morning Prayer

Lord, keep me safe when I am awake,
I will be good for my soul's sake,
I love you Lord you're my best friend,
Walk with me Lord until this day ends,
And when it is time for me to sleep,
I give my soul to you to keep.
Amen.

Jesus heals a paralysed man

In today's Gospel Jesus heals a paralysed man.

The man's friend carried him to Jesus. The crowd around the house that Jesus was staying in was too big. The men could not get their friend into the house.

The paralysed man's friends did not give up.

They lifted the paralysed man onto the roof. They took the roof off the house and lowered him down to Jesus.

Because they believed that Jesus was the son of God their friend was healed.
